Resident Evil 4 Gameshark Codes (NTSC-U) This page contains all of the Gameshark cheat codes I have for Resident Evil 4. If you're playing with the PCSX2 Emulator and you'd like to use the codes on this page I recommend heading over to my How To Use Cheat Codes on PCSX2 Guide. This will explain how to setup and use the codes on this page
with that emulator. Alternatively if you're playing on a physical console you'll need to own a CodeBreaker/GameShark disc in order to use these codes. If you don't see the code you want on this page I recommend heading over to my Resident Evil 4 CodeBreaker Codes (NTSC-U) and searching for your code there instead! Max Health (Partner):

 follow the license terms. Attribution — You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use. ShareAlike — If you remix, transform, or build upon the material, you must distribute your
contributions under the same license as the original. No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits. You do not have to comply with the license for elements of the material in the public domain or where your use is permitted by an applicable
exception or limitation. No warranties are given. The license may not give you all of the permissions necessary for your intended use. For example, other rights such as publicity, privacy, or moral rights may limit how you use the material. 6 years have passed since the biological disaster in Raccoon City. Leon S. Kennedy, one of the survivors of the
incident, has been recruited as an agent reporting directly to the president of the United States. With the experience of multiple missions on his back, Leon is sent to rescue the president's kidnapped daughter. He tracks her to a secluded European village, where there is something terribly wrong with the villagers. And the curtain rises on this story of
daring rescue and grueling horror. Resident Evil 4 Action Replay MAX Codes (NTSC-U) This page contains all of the Action Replay MAX cheat codes on this page I recommend heading over to my How To Use Cheat Codes on PCSX2 Guide. This will
explain how to setup and use the codes on this page with that emulator. Alternatively if you're playing on a physical console you'll need to own a CodeBreaker/GameShark disc in order to use these codes (NTSC-U) and searching for
your code there instead! Unlimited Health (Leon) 43MP-TPWN-P82XN TDYK-WVBG-G7VVC Max Health (Leon) 5V2T-DAC4-6NQG3 0VNW-V76Z-GQ8EP Max Pts 3ZFJ-Y9GQ-26VPV Q7BD-RQ5H-XW8GV Always 1st Save 60DE-NHPV-NEVPW 5CRM-5TUW-C0J70 In-Game Difficulty Set To Easy QV6W-85RW-496BK 9DGC-BPEH-AMZFF

9K2T7 July 27, 2025 John Papadopoulos 1 Comment A couple of days ago, GSC GameWorld released a new update for STALKER 2. Patch 1.5.2 is a small update that addresses a couple of issues. So, let's take a closer look at it. Continue reading STALKER 2. Patch 1.5.2 is a small update that addresses a couple of issues. So, let's take a closer look at it.
27, 2025 John Papadopoulos 1 Comment YouTube's 'A9VG' has shared a video, showcasing 7 minutes of brand new gameplay footage from Lost Soul Aside. This is a Chinese hands-on video preview, so most of you won't understand anything at all. Still, you watch the new gameplay footage that is featured in it. Continue reading Here are 7 minutes of
new gameplay from Lost Soul Aside — Lost Soul Aside Ultizero Games July 27, 2025 John Papadopoulos 4 Comments BioShock fans, here is something special for you today. Modders 'skurtyyskirts' and 'watbulb' have released a demo for the RTX Remix Mod for the first classic BioShock game. This mod will add real-time Path Tracing to this classic
FPS. As such, it's a must for all of its fans who who'd love to see a remake of it. Continue reading First Version of BioShockmods July 27, 2025 John Papadopoulos 11 Comments WUCHANG: Fallen Feathers has gotten a lot of hate since it came out. Many players are upset about how the game runs,
and that's understandable. I mean, I've already criticized it in my PC Performance Analysis. But, in the blink of an eye, we suddenly went to the extreme. Some people are calling it trash, saying it looks bad and runs even worse. But honestly, right now, WUCHANG is one of the best-looking games on PC. Continue reading WUCHANG: Fallen Feathers
Is One of the Best-Looking PC Games, but Patch 1.4 Breaks Resolution Scaling → 505 GamesLeenzeeWUCHANG: Fallen Feathers July 26, 2025 John Papadopoulos 13 Comments YouTube's 'xLokord' has shared a video, showcasing almost an hour of gameplay footage from the latest pre-alpha multiplayer build of Battlefield 6. So, if you are currently
looking forward to this new BF game, you should definitely watch it. Continue reading Almost an hour of pre-alpha PC gameplay from Battlefield 6 - Battlefield 6DICEElectronic Arts July 26, 2025 John Papadopoulos 7 Comments YouTube's 's1mple s1mple' has shared a video, showcasing 22 minutes of new gameplay from Phantom Blade
Zero. This video seems to show off the first area and enemies that players will encounter in it. Continue reading Here are 22 minutes of new gameplay from Phantom Blade Zero - P
released the first version of his RTX Remix Mod for this classic The Elder Scrolls III: Morrowind Path Tracing Mod V0.1 Released → modsThe Elder Scrolls III: Morrowind July 26, 2025 John
Papadopoulos 7 Comments Survios has released the first official gameplay trailer for the non-VR version of Alien: Rogue Incursion Evolved Edition. This new Alien game is coming to PC on September 30th, so make sure to watch its trailer if you are a fan of the franchise. Continue reading First gameplay trailer for Alien: Rogue Incursion
Evolved Edition → Alien Rogue IncursionSurvios July 26, 2025 John Papadopoulos 5 Comments YouTube's EnzoElRich YT has shared a video, showcasing what a remake of GTA: San Andreas could look like in Unreal Engine 5. This is a very cool video that a lot of GTA fans may find interesting. So, be sure to check it out. Continue reading Take a look
at this cool fan remake of GTA San Andreas in Unreal Engine 5 July 25, 2025 John Papadopoulos 5 Comments Now here is something truly special for our Mario fans. YouTube's Syrus212 has recreated the Gateway Galaxy from Super Mario Galaxy in Unreal Engine 5. Not only that, but you can go
ahead and download this fan demo, so that you can try it yourselves. Continue reading Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super Mario Galaxy Unreal Engine 5 PC Fan Tech Demo Released - Super M
the PCSX2 Emulator and you'd like to use the codes on this page I recommend heading over to my How To Use Cheat Codes on this page with that emulator. Alternatively if you're playing on a physical console you'll need to own a CodeBreaker/GameShark disc in order to use these
codes. If you don't see the code you want on this page I recommend you return to my Resident Evil 4 Guides Index and choose a different section. rescue and grueling horror. Have you ever wondered what a PSX/32-bit version of Resident Evil 4 would look like? Well, time to find out. Rustic Games BR has just released the first version has a lot of bugs. Still, it will give you an idea of how the game
plays. Additionally, and in case you don't want to download it, you can watch a brief gameplay video below. Resident Evil 4 PSX Demake uses fixed camera angles and "tank" controls. Moreover, it uses pixelated graphics and has a classic inventory system. Now obviously this first version does not demake the whole game. So yeah, don't expect to be
gaming fan and highly supports the modding and indie communities. Before creating DSOGaming, John worked on numerous gaming websites. While he is a die-hard PC gamer, his gaming roots can be found on consoles. John loved - and still does - the 16-bit consoles, and considers SNES to be one of the best consoles. Still, the PC platform won him
over consoles. That was mainly due to 3DFX and its iconic dedicated 3D accelerator graphics card, Voodoo 2. John has also written a higher degree thesis on the "The Evolution of PC graphics cards." Contact: Email Despite a lengthy and troubled development history, Resident Evil 4 took the gaming industry by storm when it hit the GameCube in
early 2005. Considered a revolutionary third person action horror experience, Resident Evil 4 went on to influence other similar entries in the genre for years to come. This success was a big win for Nintendo, as Resident Evil 4 was at the time, part of a deal known as the "Capcom Five". This deal granted Nintendo exclusivity to five big titles from
Capcom, which would only be available on the GameCube, with Resident Evil 4 being the most notable of the bunch. However, after its record breaking success and impressive sales numbers, Capcom wanted to further capitalize on Resident Evil 4 by making it available on other consoles. It shortly thereafter received a release on the PlayStation 2.
the most popular console from that generation. Despite the PS2 being graphically inferior to the GameCube, Capcom made up for this by adding extra content into the PS2 version of Resident Evil 4. The standout inclusions was a brand new side story called "Separate Ways" starring Ada Wong, which would fill in narrative gaps and provide more
information on the Resident Evil universe. A quick summary of the plot of Resident Evil 4 is as follows: Leon Kennedy is tasked with venturing into a rural part of Europe to search for the President's missing daughter. In his search, he discovers a cult, new biological virus, and more horror than he could have possibly imagined. During the game,
players occasionally cross paths with Ada Wong, a mysterious spy who is on a mission of her own. Details aren't made completely clear in the base game, but Ada is after a sampel of the Las Plagas virus, which she will return to an unknown third party. Separate Ways was an appealing addition to Resident Evil 4, because now players could have more
clarity on just what Ada was up to. It turns out, Ada was working for Albert Wesker, a longtime antagonist in the franchise. Under Wesker, which he would weaponize and use for his own nefarious agenda. Ada travels to many of the same locations that Leon does in the main
game, but there are interesting spins on previous scenarios to still keep fans on their toes. As stated above, the most enjoyable aspect of Separate Ways is being able to revisit iconic moments from the main game but from a different perspective. For example, in the infamous opening village set piece, while controlling Ada, players can see Leon
Kennedy running away from Ganados in the background. This also happens later on in Saddler's castle, showing that Ada was never far behind Leon during the course of the adventure. While it's a shorter experience than Resident Evil 4's main campaign, Separate Ways does include a few extra goodies to reward players and keep them coming back
for more. Upon completion, new content is added to "Ada's Report", a list of documents that provide further insight into her true motives and place in the enemies in game. Last but not least, some extra costumes are available for Leon and Ashley
for another playthrough of the main game. All in all, between a short and sweet adventure, new weapons, and more bonus unlockables, Separate Ways is a solid inclusion to the Resident Evil 4 experience. Because of its warm reception, Capcom has since included this mode in every subsequent remaster and port of Resident Evil 4 that has come out in
the years since. Resident Evil 4 is available now for GameCube, PC, PS2, PS3, PS4, PC, Switch, Wii, Xbox 360, and Xbox One, as well as Android and iOS mobile devices. MORE: Resident Evil 4 is available now for GameCube, PC, PS2, PS3, PS4, PC, Switch, Wii, Xbox 360, and Xbox One, as well as Android and iOS mobile devices.
