If you'd like to learn more, you can contact your local dealer for more information. Available Road Tripper Package including Trailer Tow Group, Dual-Pane Panoramic Sunroof and Uconnect Theater Family Group. MSRP\* Starting at \$42,085. \*MSRP excludes destination, taxes, title and registration fees. Starting at price refers to the base model, optional equipment not included. A more expensive model may be shown. Pricing and offers may change at any time without notification. To get full pricing details, see your dealer. # Choose from Front-Wheel Drive (FWD) or All-Wheel Drive (AWD) options. \* This page contains multiple options for customizing a vehicle. Option 1: Baltic-Gray Metallic Clear-Coat Exterior Paint This option allows users to select from different swatch types and view high-quality images of the paint job. The image is displayed in various sizes, including small, medium, large, and extra-large. Option 2: Silver Mist Clear-Coat Exterior Paint Similar to Option 1, this choice also offers multiple image sizes and a detailed description of the paint type. Users can explore these options further by clicking on 'Explore 360'." Please note that this paraphrased version is an interpretation of the original text, and it may not accurately represent the exact content or structure of the original HTML code. The following options are available for exterior paint: \* Fathom Blue Pearl-Coat Exterior Paint: This paint color is represented by an image that can be viewed in various sizes, including small, medium, and large. \* Red Hot Pearl-Coat Exterior Paint: Similar to the first option, this paint color also has a representative image that can be viewed in different sizes. Note: The original text appears to be a JSON object representing configuration options for an exterior paint selection system. The paraphrased version above focuses on extracting the key information about each paint color option. This refers to the Bright White Clear-Coat Exterior Paint for a vehicle. The exterior paint color is white and has a clear coat finish. There are also images provided in various sizes (XS, SM, MD, LG) that show the color from different angles. Additionally, there is information about an interior view of the vehicle, specifically showing the seat types available. It mentions that the image is for illustration purposes only and may vary depending on the specific model or trim level. There are also categories listed, including a category called "Seat Types" with a link to more information. Let me know if you would like me to clarify anything! \*\*Color Option:\*\* The Pacifica Limited offers a sleek interior design in black, featuring Caprice leatherette seats with an "S" logo. \*\*Image:\*\* [A high-quality image of the interior] \*\*Description:\*\* This color option features premium materials and attention to detail throughout the interior. The seats are trimmed in rich, black leatherette and feature an iconic "S" logo on the seat back. \*\*Features:\*\* \* 18-inch aluminum wheels \* Dual-pane panoramic sunroof \* Stow N Place roof rack system \* Premium nappa leather-trimmed seating \* Heated and ventilated first-row seats \* Second-row heated seats \* Third-row stow 'n go seating with in-floor storage bins \*\*Additional Features:\*\* \* Integrated premium center console with wireless charger and dual-level storage \* Uconnect 5 NAV system with 10.1-inch touchscreen navigation and 13-speaker Alpine audio Starting at the MSRP, this vehicle's price excludes destination, taxes, title, and registration fees. The starting point is for the base model, while optional equipment is not included. A more expensive model may be displayed, and pricing can change at any time without prior notification. To get accurate pricing details, consult your local dealer. The provided JSON object contains information about two different exterior paint options for vehicles. 1. Fathom Blue Pearl-Coat Exterior Paint: - A single image URL is available for this product. - The asset has multiple size options (xs, sm, md, lg) with similar image URLs but different aspect ratios and background colors. - There is no detailed description of the product or its features. 2. Red Hot Pearl-Coat Exterior Paint: - Similar to the first option, only a single image URL is available for this product. - The asset also has multiple size options (xs, sm, md, lg) with similar image URLs but different aspect ratios and background colors. - Again, there is no detailed description of the product or its features. In both cases, clicking on the "Explore 360" button would take you to a 360-degree view of the paint option. \*\*Configuration Options\*\* \* Exterior Color: Bright White Clear-Coat \* Interior Color: Limited Selection (Black / Alloy / Black Interior Colors - Nappa Leather Bucket Seats) \* Other Options: + Explore 360 (360-degree view of the vehicle) + Drag to Rotate (feature for rotating the interior image) + Previous and Next Buttons (for navigating through configuration options) \*\*Description\*\* The tool is intended to help users configure their new vehicle. The current configuration includes a Bright White Clear-Coat exterior color and limited interior color options. Please note that this paraphrased version is not exhaustive, as the original text contains more detailed information about the configuration options, images, and other features. The interior of this Pacifica Pinnacle features a sleek black color scheme, complemented by Nappa leather bucket seats with an "S" logo. The seats are designed for comfort and style, with premium quilted trim and removable lumbar support pillows in the second-row captain's chairs. Other luxurious touches include a suede headliner and an integrated ultra console with armrest and wireless smartphone charger. \*\*Configurator Settings\*\* \* \*\*360 Degree View\*: Enabled for exterior view \* \*\*View Alignment\*: Left-aligned \*\*Exterior Views\*\* \* There are two exterior views available: + "Brilliant Black Crystal Pearl-Coat Exterior Paint" with a 360 degree view that can be rotated by dragging the mouse. + "Baltic-Gray Metallic Clear-Coat Exterior Paint" without a 360 degree view. \*\*Color Options\*\* \* For each exterior paint option, there is a color swatch available. The colors can be viewed in different sizes: + Small (500x546px) + Medium (1000x546px) + Large (1440x546px) Let me know if you'd like me to clarify anything! There are two exterior paint options available: Silver Mist Clear-Coat and Fathom Blue Pearl-Coat. The first option has an image that can be viewed in different sizes (XS, SM, MD, LG). When selected, it will open a page with information about this color option. There is no description provided for this color option. A "button" with the same information as the link is also included. The second option, Fathom Blue Pearl-Coat, has an image that can be viewed in different sizes (XS, SM, MD, LG). When selected, it will open a page with information about this color option. There is no description provided for this color option. A "button" with the same information as the link is also included. Note: The original text appears to be JavaScript code and is quite technical in nature. My paraphrased version aims to simplify the language and provide a summary of the available exterior paint options. There are two exterior paint options: Red Hot Pearl-Coat and Bright White Clear-Coat. The Red Hot Pearl-Coat paint has an image that can be displayed in different sizes (extra small, small, medium, large). The image is hosted on a media server. There is no description provided for this paint option, but there are navigation buttons available to help configure the product. Note: The original text appears to be a JSON data object containing information about two exterior paint options. \* The car has a 360-degree rotating feature, which is enabled. \* The type of rotating feature is interior. \* There are multiple views available, including an image and descriptions. \* The seat types are listed, with one option being 'Black / Sepia Interior Colors - Quilted Nappa-Leather Bucket Seats'. \* Each view has a swatch list with different colors and sizes (XS, S, M, L, LG). \* There is also a button with no text or URL. Please note that the original JSON object contains some duplicate elements, which may have been an error.
