Given article text here Holding a luxury night for your downline could be just what you need to showcase the new doTERRA spa line and tell others about its benefits. To present this class in an organized way, start with an introduction that explains what your attendees can expect to learn about the doTERRA spa products. Highlight how these products can provide pampering opportunities that not only care for their skin but also make them feel and look young, healthy, and attractive. Emphasize the use of CPTG Certified Pure Tested Grade essential oils in combination with natural ingredients to create a safe and content experience. When it comes to presenting your class lineup, include all the products from the doTERRA spa collection, such as old favorites like Citrus Bliss bath bars, Citrus Bliss hand and body lotion, Rose Healing Hands lotions, Wild Orange and Peppermint Lip Balm, along with several new items like the Moisturizing Bath Bar, Refreshing Body Wash, Exfoliating Body Scrub, Detoxifying Mud Mask, Replenishing Body Butter, and two Lip Balms. To create a sense of importance around specific products, share your favorites with your attendees. For instance, you could mention that you love the Detoxifying Mud Mask, which provides purifying and detoxifying benefits while reducing pores, fine lines, and wrinkles. Another favorite is the Exfoliating Body Scrub, which gently exfoliates skin and leaves a healthy glow. Overall, the doTERRA spa line offers an array of products that can provide your attendees with a luxurious spa experience while promoting overall health and wellness. doTERRA SPA Hand & Body Products Offer Luxurious Experience The spa line features oil-infused body wash providing rich cleansing and aromatic experience. CPTG Bergamot, Grapefruit and Cedarwood essential oils provide refreshing and uplifting scents. Natural surfactants derived from coconut oil and essential fatty acids offer gentle yet thorough cleansing without irritating the skin. Hands-on demos are great for this product. For a large group, consider providing it on hands to get a feel of its detoxifying properties. It's not recommended to leave it on for an extended period as it can be intense. Pass around Body Scrub samples so guests can experience it and have access to sinks to wash off afterwards. After using the scrub, follow up with Body Butter for luxurious moisturizing effects. Sample doTERRA SPA Hand & Body Lotion with essential oils like Bergamot, Grapefruit, Wild Orange, and Juniper Berry. To incentivize attendees, consider creating a sample pack of your favorite products. You can also host a DIY class where guests create their own spa products to take home.
