Shakespeare 46 When a human being takes his life in depression, this is a natural death of spiritual causes. The modern barbarity of 'saving' the suicidal is based on a hair-raising misapprehension of the nature of existence. Peter Wessel Zapffe 34 In 'Thor,' that was my own hair. I grew it out. But I have naturally curly, blonde hair, so I'll never look
like that. By the time I got to 'The Avengers,' I had come off two other films, which required me to have it very short. So I dyed it again and it was long enough to use a part of my hairline. Tom Hiddleston 22 It is only natural that for any statesman at the helm of any government the question of his country's security should be a concern of the utmost
importance. Eisaku Sato 20 I am a bit of a fundamentalist when it comes to black women's hair. Hair is hair - yet also about larger questions: self-acceptance, insecurity and what the world tells you is beautiful. For many black women, the idea of wearing their hair naturally is unbearable. Chimamanda Ngozi Adichie 16 Regrets are the natural
property of gray hairs. Charles Dickens 12 Naturally as a kid, I was inspired by Sting. I remember seeing him with the blonde hair, the neon tights, and the painted face. Jeff Hardy 12 A woman with cut hair is a filthy spectacle, and much like a monsterit being natural and comely to women to nourish their hair, which even God and nature have given
them for a covering, a token of subjection, and a natural badge to distinguish them from men. William Prynne 9 I was not influenced by composers as much as by natural objects and physical phenomena. Edgard Varese 8 It sometimes strikes me that the whole of science is a piece of impudence; that nature can afford to ignore our impertinent
interference. If our monkey mischief should ever reach the point of blowing up the earth by decomposing an atom, and even annihilated the sun himself, I cannot really suppose that the universe would turn a hair. Aleister Crowley 7 Regrets are the natural property of grey hairs. Charles Dickens 7 When one past thought has ceased and a future
thought has not yet risen, in that gap, in between, isn't there a consciousness of the present moment; fresh, virgin, unaltered by even a hair's breadth of a concept, a luminous, naked awareness? Well, that's what naturally peaceful awareness is. Sogyal Rinpoche 7 I think it's important to represent black women and our natural hair. Not wearing a
other. But it does raise the question: Why bother? Molly Ivins 5 "I hope your hair curls naturally, does it?" "Yes, darling, with a little help from others." Oscar Wilde 5 Humor is a serious thing. I like to think of it as one of our greatest earliest natural resources, which must be preserved at all cost. James Thurber 5 Nature is one great big wood-chipper
Sooner or later, everything shoots out the other end in a spray of blood, bones and hair. Doug Coupland 4 Gross and obscure natures, however decorated, seem impure shambles; but character gives splendor to youth, and awe to wrinkled skin and gray hairs. Ralph Waldo Emerson 3 Horses have hoofs to carry them over frost and snow; hair, to
sexy hair is important. Emmy Rossum 3 On the beach, I'm definitely team natural. I mean, a good tan when the freckles are popping and some saltwater hair, I think that's super hot. So, I'm all about the natural on the beach. Nina Agdal 3 Horses have hoofs to carry them over frost and snow; hair, to protect them from wind and cold. They eat grass
and drink water, and fling up their heels.... Such is the real nature of horses. Zhuangzi 3 No black man wants a kinky-haired white child. Nature didn't mean it to be that way. Muhammad Ali 2 Once upon a time, growing up male gave little boys a sense of certainty about the natural order of things. We
had short hair, wore pants, and played baseball. Girls had long hair, wore skirts, and, no matter how hard they tried, always threw a baseball just like a girl. Kenneth R. Miller 2 Custom is second nature. Be accustomed to a bald head, sufficiently accustomed, and hair on it would seem monstrous. Isaac Asimov 2 I'm feminine: I'm wearing a skirt, I own
a bra. I think that whole big blonde look has been taken over by transsexuals now. I'm a natural blonde, but that blonde hair, big tits idea of what men want, it's now really unfeminine. Alice Glass 2 Symbolic of life, hair bolts from our head[s]. Like the earth, it can be harvested, but it will rise again. We can change its color and texture when the mood
strikes us, but in time it will return to its original form, just as Nature will in time turn our precisely laid-out cities into a weed-way. Diane Ackerman 2 I practice yoga every day and when my schedule allows me to have time, I go get a massage. And I'm fond of acupuncture. I like having a clean skin and taking care of my hair. My secret is to avoid
drying my hair with the hairdryer and also avoiding blow-dries when it's not necessary. In order to feel myself, I need to look the most natural as I can. Amanda Seyfried 1 I think my craziest hair was when I first went red for my 30th birthday. My idea was The Little Mermaid because I always wanted to be her and then I was going to be I love Lucy
and every red-haired character that you can imagine. It was really cartoon red and now I'm in the more natural believable tones. professional factors can also affect hair length choices. Some professions, like modeling or acting, may have specific standards for hair lengths. Ultimately, the decision of how long to grow your hair should be based on what makes you feel confident and comfortable
Trying different lengths can be an enjoyable and transformative experience. Remember, hair grows back, so dont be afraid to try something new. In the following sections, well discuss the pros and cons of short and long hair, tips for maintaining healthy locks, and various hairstyles for different lengths. By considering these factors, you can make an
informed decision about your hair length. Hair length is an essential aspect of ones overall appearance, and understanding it can help individuals make informed decisions about their hairstyle choices. Whether youre contemplating growing your hair out or considering a drastic haircut, its important to have a good understanding of hair length and
how it can impact your overall look. Several factors influence the length of an individuals hair, including genetics, hair growth cycle, and maintenance routines. Genetic predisposition plays a significant role in determining how long an individuals hair can grow. Some people have genes that make their hair naturally longer or shorter. Similarly, the
natural hair growth cycle and rate can vary among individuals. On average, hair grows about half an inch (1.25 cm) per month, but this can vary depending on factors such as age, diet, overall health, and stress levels. Another critical factor affecting hair length is the maintenance routine one follows. Proper hair care practices, such as regular
trimming, using appropriate hair products, and avoiding excessive heat styling or chemical treatments, can help maintain healthy hair and prevent breakage or split ends. Neglecting these practices can lead to hair that appears shorter or damaged. Understanding how hair length can enhance or detract from ones facial features is important when
considering different haircut options. Different hair continuous are fortunate, as they generally have a versatile face shape that
can accommodate various hair lengths and styles. Square face: Softening the angles of a square face can be achieved with hairstyles that fall just below the jawline or longer. Heart-shaped face: Avoiding excessive length is advisable
for those with long faces, as it can further elongate the appearance. Instead, opting for medium-length hair or adding layers can help create the illusion of width. Ultimately, the decision to grow hair to a specific length or opt for a short haircut is a personal one, influenced by individual preferences and lifestyle factors. Some individuals may prefer the
ease and convenience of shorter hair, while others may enjoy the versatility and expressive nature of longer locks. It is important to consider factors such as hair texture, maintenance requirements, and personal style when deciding on a suitable hair length. If you are uncertain about the best hair length for you or want to explore different styles, its
recommended to consult with a professional hairstylist. If your hair is damaged, brittle, or prone to breakage, it may be better to keep it shorter and provide proper care to restore its health. Longer hair requires more maintenance, including regular trims, deep conditioning treatments, and protection from
heat-styling tools. Personal Style and Preference: Ultimately, your style and preference should guide your decision on hair length. Some people feel more confident and comfortable with long hair, while others prefer the ease and versatility of shorter styles. Consider what makes you feel your best and aligns with your style when deciding on the length
of your hair. Its important to remember that hair length is a personal choice, and there is no right or wrong length. What matters most is finding a length that suits your lifestyle, enhances your natural features, and makes you feel confident and beautiful. Having long hair can be a beautiful and feminine statement, but there comes a point when hair
can become too long and difficult to manage. Here are some signs that your hair may be too long: Tangles and Knots: If your hair easily gets tangled and forms knots, it may be a sign that it is too long. Longer hair is more prone to tangling, especially if it is not regularly brushed or maintained. Tangles and knots can not only be unsightly but also make
it harder to style your hair. Excessive Shedding: Long hair might shed more than usual due to the increased weight and stress on the hair follicles. If you notice an excessive amount of hair shedding, it might be a sign that your hair is too long and needs to be trimmed. Lack of Volume: Extremely long hair can sometimes look flat and lack volume, making
it appear lifeless and dull. If your hair is excessively long and lacks body, it might be time for a trim to add some bounce and movement back into your locks. Difficulty Styling: If you find that it takes an excessive amount of time and effort to style your hair, it could be a sign that it is too long. Lengthy hair can be more challenging to manage and style,
requiring extra time, styling products, and tools to achieve the desired look. Breakage and Split Ends: Long hair is more prone to breakage and split ends throughout your hair, it may be a clear indication that it has become too long and needs
to be trimmed. Uncomfortable or Heavy Feeling: When your hair is wet and takes longer to dry or when your hair is wet and takes longer to dry or when your hair gets in the way
during daily activities such as exercising, cooking, or even sleeping, it might indicate that it is too long. Constantly having to adjust your hair or deal with it getting caught can become frustrating over time. Its important to remember that the ideal length of hair varies for each individual, and what may be too long for one person might be perfect for
another. Assessing the signs mentioned above can help you determine if your hair has reached its maximum length or if its time for a trim to keep it healthy and manageable. Determining the ideal hair length can be a personal preference influenced by various factors such as hair type, face shape, and lifestyle. While there is no one-size-fits-all answer

Yet her dark tresses shone, framing her face with a soft, unearthly light. Next to the other women at the table, with their diamonds, heavy strands of pearls, and meticulously groomed faces and hair, she seemed feral
and bewitching. The impact of her beauty lay in her confidence and her utter lack of self-awareness. In contrast, others appeared to be trying too hard, careful and staid. Kathleen Tessaro With his buzz-cut black hair, muscles and menagerie of tattoos, the man looked like he lived in a cave and sanded timber with his head and flung innocent young
women down on beds and had his wicked way with them. Cari Silverwood But in the midst of this decaying, burning city, there are pockets of hope. It can be felt in abandoned cinemas where anonymous strangers fall in love if only for a
few moments, and in the living rooms where families crowd around, drinking sweet black tea and Skyping their homesick relatives so that together they can watch the long, rambling talk shows that go on all night. Saleem Haddad It doesn't have to be dreads. You can wear an Afro, or braids like you used to. There's a lot you can do with natural hair
Chimamanda Ngozi Adichie Black women are some of the most colorful women in the world. We come in all shadeshave so many hair textures..eye colors..body types. In this generation, it's sad to see so many black girls claiming ethnicities that they know nothing about in hopes of impressing a man or appearing 'exotic'. So many people act as if being
black and beautiful is impossible. It's not. If we wanna get technical and look at our history, almost every black American is mixed. But we must stop implying that a woman's beauty comes from a part of her that is not black. Skye Townsend According to Yiannis' sister Irini, who had trained as a hairdresser in London, the British spent their long
winters in grey and black, and this was why they chose such gaudy colours for the summer: turquoise with blue, orange with pink, mauve with indigo. Colours that didn't go well with the bleached hair of the summer: turquoise with blue, orange with pink, mauve with indigo. imprinted her exasperation on their skin. Alison Fell He was a compact, clearcut man, with precise features, a lot of very soft black hair, and thoughtful dark brown eyes. He had a look of wariness, which could change when he felt relaxed or happy, which was not often in these difficult days, into a smile of amused friendliness and pleasure which
aroused feelings of warmth, and something more, in many women. A.S. Byatt I think many people, especially from other cultures, just don't understand the role hair plays in black women's lives. Solange Knowles Hortensia set the tray down and brought a shawl and wrapped it protectively around Mama's shoulders. Esperanza couldn't remember a
time when Hortensia had not taken care of them. She was a Zapotec Indian from Oaxaca, with a short, solid figure and blue-black hair in a braid down her back. Esperanza watched the two women look out into the dark and couldn't help but think that Hortensia was almost the opposite of Mama. Pam Munoz Ryan I read because the women that I liked
when I was a teenager lived down in Greenwich Village and they all had read Proust and Kafka and Nietzche. And so when I said, 'No, the only thing I've ever read were two books by Mickey Spillane,' they would look at
their watch and I was out. So in order to be able to carry on a conversation with these women who I thought were so beautiful and fascinating, I had to read. So I read. But it wasn't something I did out of love. I did it out of love. I did it
frantically to ugly themselves up by smearing black charcoal paste on their faces and bodies. With ashen faces, some of the younger, prettier girls reach into the bags we have vomited into and scoop out handfuls of it to smear on their faces and bodies. something about the whiteness of those arms that made them seem more naked than the bare arms of other women in church. A lot of red heads had freckles, but she looked as if she had been carved from a block of soap ... She was fingering a delicate
gold cross around her throat, and she turned it just so, into the sunlight, and it shone, became a cruciform flame. She lingered on the gesture, making it a kind of confession, then turned the cross away. Joe Hill He moved well. He looked good. He was tall. He worked on his body and this work was extremely successful. He had a lot of thick, messy
black hair. And he had a face that was movie star handsome in a way that, without a doubt, launched a million wedding fantasies, even from women who just caught a glimpse of him walking down the street. Kristen Ashley The conquest was not achieved without one frightful convulsion of revolt. "In this year A.D. 61", according to Tacitus, "a severe
disaster was sustained in Britain." Suetonius, the new governor, had engaged himself deeply in the West. He transferred the operational base of the Roman army to Chester. Because it was the centre of Druid resistance he prepared to attack "the populous island of Mona [Anglesey], which had become a refuge for fugitives, and he built a fleet of flat-
bottomed vessels suitable for those shallow and shifting seas. The infantry crossed in the boats, the cavalry went over by fords: where the water was too deep the men swam alongside of their horses. The enemy lined the shore, a dense host of armed men, interspersed with women clad in black like the Furies, with their hair hanging down and holding
torches in their hands. Round this were Druids Winston S. Churchill The airport in Sofia was a tiny place; I'd expected a palace of modern communism, but we descended to a modest area of tarmac and strolled across it with the other travelers. Nearly all of them were Bulgarian, I decided, trying to catch something of their conversations. They
werehandsome people, some of them strikingly so, and their faces variedfrom the dark-eyed pale Slav to a Middle-Eastern bronze, a kaleidoscopeof rich hues and shaggy black eyebrows, noses long and flaring, oraquiline, or deeply hooked, young women with curly black hair and nobleforeheads, and energetic old men with few teeth. They smiled or
laughed and talked eagerly with one another; one tall man gesticulated to his companion with a folded newspaper. Their clothes were distinctly not Western, although I would have been hard put to say what it was about the cuts of suits and skirts, the heavy shoes and dark hats, that was unfamiliar to me. Elizabeth Kostova Hacking shampoos,
conditioners, gels and creams with your oil(s) of choice is a great way to promote healthy strong hair growth. Monica Millner You see some classes of the human family that are black, uncouth, uncomely, disagreeable and low in their habits, wild, and seemingly deprived of nearly all the blessings of the intelligence that is generally bestowed upon
mankind....Cain slew his brother. Can might have been killed, and that would have put a termination to that line of human beings. This was not to be, and the Lord put a mark upon him, which is the flat nose and black skin. Any movie you see, if Tom Cruise is in an action movie or whatever it is, The Avengers, there's going to be a kick-ass female
character. Usually one. And there's a term for this, but I don't know what it is. But someone's coined a term where there's one female character who's incredibly tough and strong and just as good as the guys at whatever it is theyre doing, and usually wearing black, skin-tight clothes, and [she] has no personality whatsoever, and is not funny. Florence Welch 0 Beautiful Black Hair Quotes I have low self-esteem and I always have. Guys always cheated on me with women who were European-looking. You know, the long-hair type. Really beautiful women that left me
thinking, 'How I can I compete with that?' Being a regular black girl wasn't good enough. Lil' Kim 72 I am a bit of a fundamentalist when it comes to black women, the idea of wearing their hair naturally is
unbearable. Chimamanda Ngozi Adichie 16 At one point I was introduced to a devastatingly handsome young man -- beautiful, really -- with black unruly hair, large sensitive eyes fringed by long dark lashes, a full sensuous mouth -- and an irresistible personality. His name was Tony Curtis. Janet Leigh 12 He must have been handsome when he was
alive and was handsome still, although made monstrous by his pallor and her awareness of what he was. His mouth looked soft, his cheekbones as sharp as blades, and his jaw curved, giving him an off-kilter beauty. His black hair a mad forest of dirty curls. Holly Black 8 I think it's important to represent black women and our natural hair. Not wearing
a weave is totally beautiful and acceptable. Zoe Kravitz 6 Bettie Page was number one. I have never known another model who had better knowledge of her body or how to work with it to make it look so good. Her skin was perfect, no blemishes. Perfect nose, beautiful straight teeth, and gleaming, shiny black hair that was always in place, always.
Bunny Yeager 6 black isn't beautiful and it isn't ugly - black is! It's not kinky hair and it's not straight hair - it just is. Gloria Naylor 2 I like having black hair.  Proverbs 79 I paint German artists whom I admire. I paint their pictures, their work as painters, and their portraits too. But oddly enough, each of these portraits whom I admire. I paint their pictures, their work as painters, and their portraits too. But oddly enough, each of these portraits too. But oddly enough their portraits ends up as a picture of a woman with blonde hair. I myself have never been able to work out why this happens. Georg Baselitz 70 The scissors cut the long-grown hair; The razor scrapes the
remnant fuzz. Small-jawed, weak-chinned, big-eyed, I stare At the forgotten boy I was. John Updike 56 Santa Claus wears a Red Suit, he must be a communist. And a beard and long hair, must be a pacifist. What's in that pipe that he's smoking? Arlo Guthrie 51 It is not these well-fed long-haired men that I fear, but the pale and the hungry-looking.
Julius Caesar 45 I've never wanted anybody to like me because I had long hair or short hair, or that they liked the way I dressed or they liked the way I dres
their golden-haired, thousand-eyed faces to follow the sun. Patricia A. McKillip 24 I had long hair since I was 17 years old. It was time for me to let go. I hated being the guy at the wedding in a suit with a ponytail. Dave Grohl 24 Hair Color Quotes What price would God demand from the churches for having the audacity to lighten the color of his son's
skin, and straighten out his nappy hair? Dick Gregory 63 I am not at all particular about things like hair styles and colors. Akira Toriyama 58 If they ever do my life story, whoever plays me needs lots of hair color and high heels. Charlize Theron 56 My skin is kind of sort of brownish pinkish yellowish white. My eyes are greyish blueish green, but I'm
told they look orange in the night. My hair is reddish blondish brown, but its silver when its wet, and all the colors I am inside have not been invented yet. Shel Silverstein 42 This hair has a reputation of being stereotypically punk rock, and I'm the girliest person you'll ever find so it took a while for me to figure out how to convey my style. I never
Park. Prince 40 I am here and you will know that I am the best and will hear me. The color of my skin or the spread of my mouth has nothing to do with what you are listening to. Leontyne Price 39 True beauty is about who you are as a human being
your principles, your moral compass. Ellen DeGeneres 29 With short hair you have to get a haircut every two or three weeks. And if you're coloring your hair, you have to color it that often. Every time I did it, I felt fraudulent. Jamie Lee Curtis 28 I see blindness more as an ability and sight more as a disability because there are some people with sight
who tend to judge others by what they see on the outside but I don't see that. I don't see that United States has been called the melting pot of the world. But it seems to me that the colored man either missed
getting into the pot or he got melted down. Thurgood Marshall 162 If blacks were given the right to vote, that would place every splay-footed, bandy-shanked, hump-backed, thick-lipped, flat-nosed, woolly-headed, ebon-colored in the country upon an equality with the poor white man. Andrew Johnson 129 The Bureau of Justice reports that one in three
black male babies born this century will go to jail or prison - that is an absolutely astonishing statistic. And it ought to be terrorizing to not just to people of color, but to all of us. Bryan Stevenson 123 Nobody wants to know a colored woman's opinion about her own status of that of her group. When she dares express it, no matter how mild or tactful it
power. Kerry James Marshall 93 I dreamt that I could paint you with words, but there were no colors bright enough, black or white enough, black or white enough, blue or green enough mos Def 87 Rays were blazing through the atmosphere of the earth, the horizon became bright orange, gradually passing into all the colors of the rainbow: from
light blue to dark blue, to violet and then to black. What an indescribable gamut of colors! Just like the paintings of the artist Nicholas Roerich. Yuri Gagarin 82 When you use one thats in color. These words in color are a part of ourselves, because we give
them a meaning. If you like, we give them a third dimension. Jacques Brel 72 One very important difference between color and monochromatic photography is this: in black and white you suggest; in color you state. Much can be implied by suggestion, but statement demands certainty... absolute certainty... absolute certainty... absolute certainty...
colours are what depress me. They're so... empty. Black is poetic. How do you imagine a poet? In a bright yellow jacket? Probably not. Ann Demeulemeester 67 Brown Hair Quotes I loved Belle in 'Beauty and the Beast.' I just wanted to be her. I'm a brunette, so I think I kind of cling to all those princesses that have brown hair. I just wanted to be
lightbulbs. His smile brought up both sides of his mouth, and a dimple surfaced. Becca Fitzpatrick 20 I don't think I was bullied. If I was bullied, I fought back or turned the other cheek. I have been put in a box, I guess: "Oh you're blonde, you can't play brunette." And I'm always like: "You know what? I'm going to prove you wrong, I'm going to make
my hair brown." Laura Bell Bundy 18 I'm sure no intelligent white person, in his or her right white mind, want black men and women marrying their grandchildren to half brown, kinky haired black people. Muhammad Ali 14 I used to break a lot of clubs. I probably was a little different than
your average junior player. I did have a lot longer hair and a lot more brown hair. But my demeanor, you know, really from maybe my second, third year on Tour, has gotten a lot more even keel. Fred Couples 9 She [Pansy] pushed in next to Poppy so that she could see him around the guard's elbow. She was as tall as Poppy, with shining dark-brown
hair and blue eyes. An utterly lovely girl, as all the princesses were, yet Oliver thought Petunia was far more beautiful. Jessica Day George 8 So there you have it, the extent of my charms: brown hair and eyes like unbarfed chocolate. I'm a lucky girl." -Max James Patterson 8 The American Race is marked by a brown complexion; long, black, lank hair;
and deficient beard. Samuel George Morton 6 When I have brown hair I feel the most like myself, but I don't feel glamorous. It's a disgusting thing to admit. Sarah Paulson 4 Hair Colour Quotes Oh who is that young sinner with the handcuffs on his wrist? And wherefore is he wearing
your feet? Malcolm X 15 The proprietor had hair so red that pigmentation had flowed out into every visible inch of his eyes, as the colour of flowering cherry trees stains their leaves. Quentin Crisp 12 I dyed my hair about 42 different colours, and kids can be pretty judgmental about people who are different. But
 instead of breaking down and conforming, I stood firm. That is also probably why I was unhappy. Christina Hendricks 7 When I was a teenager, I was pretty radical! Chloe Sevigny 3 I'm a dark blonde, yes. I dyed my hair blue, then black, when
I was 14. I thought the colour was more flattering and matched my skin tone. I don't think I'd ever change back unless it was for a film. Eva Green 3 I grew out my armpit hair colour or your nail colour or things like that its fine, but you have
to realize the dangers and repercussions of surgery. Heidi Montag 3 I have scars on my hands from touching certain peopleCertain heads, certain colour. I haven't seen it for a while. Tamzin Outhwaite 1 Straight Hair Quotes I remember the
first time I saw you. Your hair was in two braids instead of one. And I remember when you... you sang in the music assembly and the teacher said... "Who knows The Valley Song?" and your hand shot straight up. After that, I... I watched you going home every day... Suzanne Collins 34 Never trust a man who combs his hair straight from his left armpit
Alice Roosevelt Longworth 32 I was somebody who never loved my hair. I had curly hair and wished it was straight hair, and I had short, dark, curly hair. I immediately felt I didn't fit in and started growing my hair. But I've learned that I'm only
happy when I am truly me and feel comfortable and confident in myself. Emmy Rossum 12 I've learned when you drink Absolut straight, it burns enough to give my chest hairs a perm. Method Man 10 Black women have kinky hair, and we think we have limitations on what we can do. It's interesting that people think, 'Oh this is the only thing they can
do. But if you have blonde, straight hair. Come on ladies, you know how it is; if you have curly hair you just want straight hair. Daniel Tosh 7 Meg's high-heeled slippers were dreadfully tight, and hurt her, though she
would not own it; and Jo's nineteen hair-pins all seemed stuck straight into her head, which was not exactly comfortable; but, dear me, let us be elegant or die. Louisa May Alcott 6 Nobody is really happy with what's on their head. People with straight hair want curly, people with curly want straight, and bald people want everyone to be blind. Rita
Rudner 4 My hair used to be real long, and my parents were encouraged when I cut it. They thought I was going 'straight,' but I was getting into the punk thing. Billy Idol 4 Thick Hair Quotes Having red hair is never good when you're a kid. I was picked on a lot and didn't have a lot of friends. But I
think that gave me a thick skin and helped make me a better person. Jesse Tyler Ferguson 20 You deal with failure - strike, strike, strike, strike, strike all the time. Acting is like that. You have to have a very thick skin in a way - your hair is too dark, you're too ugly for the part, your audition wasn't good. Sayings 15 I went from having the healthy hair that you have
as a kid, to completely destroying it and frying it, and then actually having really healthy thick hair that I was proud of again. I just put an emphasis on what shampoo and conditioner I use. Blake Lively 8 She has slimmed down since the height of impeachment, her thick blow-dried hair as shiny as Russian sable and her creamy cleavage, as historic in
its own way as Mount Rushmore, was quite wonderful to behold. Monica Lewinsky 4 My only real insecurities in high school were having such long legs and thick hair things Im so very grateful for now. Sayings 1 I've just got crap hair. Although I inherited a lot of stuff from my dad, including giant knees, I didn't get his good, thick hair. I got my
mother's thin, wispy, non-event hair instead. Jenny Eclair 1 I like hair that's been 'worn in' because it's much easier to deal with... I actually don't like it when [models] come in with this beautiful, thick, glossy hair. I think, Oh, no! I can't do a thing with this! Guido Palau 0 I'm very lucky that I have people styling my hair and teaching me how to work
with it, but it wasn't always like that. Growing up, I had extremely wavy and thick hair and that can be very overwhelming - you end up with the same ponytail every day. Crystal Renn 0 I suffer from arachnophobia. I don't mind the tiny spiders so much, it's the ones with their legs covered in thick hair. Leona Lewis 0 I used to get my hair dyed at a
place called Big Hair. It cost $15. They just used straight bleach, so my hair was the color of white lined paper, and my eyebrows looked like they were done with. My hair is different than most I dance with. But I didn't let that
other black women imitate my style, which is no style at all, but just letting our hair be itself. They call it the Afro Look. Miriam Makeba 64 Black Lives Matter was a piece of genus called declarative marketing. I don't know if you've ever heard of it via products in the 1970's called Gee, Your Hair Smells Terrific or I Can't Believe It's Not Butter! was
the name of the product. So the name of the product is called Black Lives Matter. How can you disagree with that? Eric Weinstein 64 I have a lot of looks but right now I'm really into grunge. Messy hair, black heels. I get Michelle Pfeiffer with it. Chloe Grace Moretz 61 I stared at her black hair. It was shiny like the promises in magazines. Alice
Sebold 50 When I was in Mecca I noticed that their, they had no color problem. That they had people whose eyes were blue and people whose skin was block, people 
Malcolm X 49 I think many people, especially from other cultures, just don't understand the role hair plays in Black women's lives. Solange Knowles 27 If oxen and lions had hands and could paint the forms of the gods likes horses and oxen like oxen. Each would represent them
with bodies according to the bodies of each. So the Ethiopians make their gods black and snub-nosed; the Thracians give theirs red hair and blue eyes. Xenophanes 27 I had never seen hair that purely black. It was glossy and slightly long, the ends drifting over his collar. That sexy length was the crowning touch of bad boy hotness over the successful
businessman, like whipped cream topping on a hot fudge brownie sundae. As my mother would say, only rogues and raiders had hair like that." (Eva about Gideon) Sylvia Day 24 So what do you wear to dump somebody?" she asked me, twirling a lock of hair around one finger. "Black, for mourning? Or something cheerful and colorful, to distract them
from their pain? Or maybe you wear some sort of camouflage, something that will help you disappear quickly in case they don't take it well. Sarah Dessen 20 I'm really just a throw-my-hair-into-a-ponytail kind of girl. I don't like styles that are too neat or too done. I don't think I'll ever go too crazy with colors. I stick with my main two: goldish-blonde
or black. Trina 19 Hither came Conan, the Cimmerian, black-haired, sullen-eyed, sword in hand, a thief, a reaver, a slayer, with gigantic melancholies and gigantic melancholi
man's hair. Because with Negro hair, where you put it, it stays. It's obedient. The hair of the white, just give one quick movement, and it's out of place. It won't obey. If reincarnation exists I want to come back black. Carolina Maria de Jesus 18 Black hair and blue eyes are my favorite combination. Cassandra Clare 17 Even drawing gray hair at all is
difficult to render in black and white. Alison Bechdel 16 I think my wife saw a picture of the rock group Journey, and they're kind of aging, and the one guy had dyed blonde hair with black roots, and... my idea was to get a little earring, I wanted to have a dangling earring. Fred Willard 15 When I was writing pretty poor poetry, this girl with midnight
black hair told me to go on. Carl Sandburg 13 Sex ages us. Priests are boyish, spinsters stay black-haired until after fifty. We others, the demon rots us out. John Updike 13 I was inspired a little while before The Voice to dye my hair half black half blonde by Cruella De Vil of 101 Dalmatians. One day I was watching it and I told my mom I was going to
dye my hair like Cruella's, and she thought I was joking. I came home from the salon, and she didn't talk to me for a few days! Melanie Martinez 12 My daughter teases me once in a while saying, Remember when you used to be my mother and you had black hair? Loni Anderson 11 I do think that we have to be careful not to assume that getting a
perm or wearing a blonde wig is a desire for whiteness. It may or may not be. Listen, I live in a poor black neighborhood where women wear blue hair, green hair, and all kinds of stuff. So, I simply see it as a different set of choices. Melissa Harris-Perry 9 I wanted to touch on how we look on each other. Good hair, light skin, you must be smart; if
you're black, you're dark-skinned, you're ugly. That really happens. This is something that started with slavery, when they divided the house, and it's still a part of today's society and things that we battle with. Rapsody 9 I've hidden behind my hair more than clothes. Sometimes having long hair with a fringe is very useful when you don't want to look
at people. I used to have very short hair, but long hair is my thing - a black nocturnal shield. Bat for Lawrence of Arabia because I spoke English, had black hair out tight, And fiddled whisper music on those strings, And bats with
baby faces in the violet light Whistled, and beat their wings, And crawled head downward down a blackened wall. T. S. Eliot 6 I go through different phases and plack and leather all the time. Right now, I want to wear long skirts and belts, with my hair
in a ponytail. It changes all the time! Heather Morris 5 X-Pac, I always thought you were a greasy haired, cheesey bandana wearing asshole that wore green and black tights. Achieving natural curls permanently is an intricate process. Its a transformation that requires a thorough understanding of hair structure and chemistry. There is no simple, one-time solution to permanently altering hairs texture to curls. Patient and diligent application of professional methods is paramount shortcuts can lead to damaged tresses and disappointment. Lets go through some of the popular ways to get your curly hair naturally permanent must be contextualized. No approach is truly everlasting hair grows and textures change. Yet, one can imbue strands with a curvaceous structure that persists as long as possible without resorting to harsh chemical treatments. The key lies in the adoption of hair care routines that encourage the natural formation of curls, a practice that demands consistency and patience, much like sculpting a masterpiece. Intricate techniques such as the Curly Girl Method, championed by Lorraine Massey, suggest a chemical-free mantra where sulfates, silicones, and heat are aversed. This regimen leans on hydration and styling with gentle products conducive to curl formation. Routines involve meticulous scrunching, plopping, and microfiber towels to foster and fortify spiral patterns. But be forewarnedeach hair type responds differently to treatments; personalized plans tailored to individual needs from a seasoned stylist bring about the most promising transition from straight or wavy to naturally curly tresses. The Twist and Pin technique is a natural method to encourage permanent curls, demanding minimal tools and yielding maximized results over time. Gentle tension over a period trains the hair to adopt a curled state, contributing to the longevity of naturally curly patterns. By partitioning wet hair into sections, twisting each segment tightly from root to tip, and securing it with pins, one sets the foundation for curls as the hair dries. Consistency in this practice is essential, as repeated sessions gradually coax the hair into retaining a curled form. The outcome is not instantaneous a commitment to the Twist and Pin method is imperative. With patience and regular maintenance, one can foster an environment for naturally curly hair that thrives without the need for artificial intervention. Braiding has ancient roots in texture alteration. Wet hair sets better with braiding techniques, enabling a tighter curl pattern. When hair is dampened and woven into braids of various sizes, depending on the desired curl tightness, the hair takes on a new shape. After drying completely, braids are released to reveal a transformed, curly texture. Intermediate rest periods heighten the curl retention. The process must be executed with uniform braids for cohesion. Uniformity is pivotal employ consistent braid sizes to ensure that the resulting curls are symmetrical. Uneven braids lead to erratic curl patterns, diminishing the professionalism of your work. Continued iterations reinforce the hairs muscle memory. Over time, with regular repetition of this method, hair can indeed remember and more easily assume the curly form, a testament to the enduring capabilities of the hairs malleability. Maintenance is key; the methods efficacy increases with routine. To solidify the curling effect, its crucial to integrate regular braiding sessions into the clients hair regimen. The more frequently the hair is trained with braids, the more lasting the natural curl will become. Exploring alternative methods to induce curls can be both creative and effective. Bantu knots: a technique involving sectioning the hair are twisted and pinned to the scalp until dry. Twist-outs: hair is sectioned and twisted, then left to set before untwisting to reveal curls. Braiding: different braid techniques, from French braids to cornrows, can result in various curl patterns. Rag curls: strips of fabric are used to roll the hair into curls, an old-school method still relevant today. Flexi-rods: a type of foam roller that bends to hold the shape of your curls without the need for clips or pins. These techniques prioritize the hairs integrity, avoiding undue stress. Consistent application of these alternatives can lead to permanent changes in the hairs wave pattern. Read: 10 Most Popular Types Of Hair BraidsOptimal hair health hinges significantly on nourishment from within. A diet replete with vital nutrients such as vitamins A, C, and E, minerals like zinc and iron, and adequate protein is crucial for hair texture development and maintenance. The keratin structure which defines hairs form benefits from a rich supply of amino acids obtained from dietary proteins. Incorporating a balanced diet with an emphasis on these elements can make a substantial difference in your hairs natural wave and its capacity to sustain waves or curls introduced by styling practices. Holistically, the correlation between a nutrient-dense diet and the potential for achieving natural, permanent curls should not be understated. The vitality and elasticity of hair fibers are intrinsically linked to nutritional intake. Without the proper balance of minerals and vitamins, the hairs potential for retaining a healthy, curly state is compromised. Consuming a diet that is deficient in critical nutrients like omega-3 fatty acids are essential for hair health. These play a vital role in nourishing the hair follicles and scalp, which can enhance the natural curl pattern of the hair. Deficiencies in these key nutrients can lead to dry, brittle hair strands that are more prone to damage and less able to maintain a curly structure. Moreover, antioxidants are necessary for protecting the hair from environmental stressors. These compounds, found in an array of fruits and vegetables, support hair follicle strength and can greatly affect hair texture, promoting endurance in the natural curl. B vitamins, particularly biotin (Vitamin B7) and niacin (V improvements in hair elasticity and the ability to hold a more defined curl. Proper iron levels are crucial for oxygen delivery to hair cells, which aids in growth and repair. Anemic conditions, where iron is deficient, can disrupt the hair growth aids in growth and repair. hairs structure and strength. Hair primarily made up of keratin, a protein, requires the right building blocks to maintain its shape and curl. Hair that is nourished from within with complete proteins is better equipped to support lasting natural curls. To enhance natural curls through nutrition, one must focus on a rich and balanced diet that contributes to hair health. Omega-3 fatty acids from fish such as salmon and mackerel can fortify cell membranes, aiding in improved hair texture. Antioxidants like those in berries and leafy greens can shield hair from damaging free radicals, providing resilience to curls. By vitamins, especially biotin and niacin, present in eggs, nuts, and legumes fortify curl elasticity and definition. Iron-rich foods such as spinach and lentils support oxygen delivery to follicles, maintaining the vitality of curls. Proteins like those found in chicken, tofu, and quinoa are essential for keratin formation, reinforcing the hairs natural curl pattern. Incorporation of these nutrients will significantly contribute to the natural curliness of hair fibers over time. Emphasis on consistent dietary habits is essential; as with sustained intake, these nutrients can help permanently amplify natural curl patterns. While the allure of hair care products is undeniable, its vital to recognize the importance of tactful, mechanical techniques that capitalize on ones inherent curl structure without the need for additives. Implementing twisting and plopping methods before the hair drying process can preserve curl formation. Furthermore, the judicious use of materials like silk or satin pillowcases during sleep minimizes friction and thus retains the integrity of the curls. Comprehending the art of gentle hair pilling on top of the head, secured with a soft fabric, can also prove invaluable for sustaining curl shape overnight. Together, these strategies honor the spiral essence of the hair, conferring enduring curvature and bounce. A diligent scalp massage regimen fosters healthy hair growth, which can indirectly support curl enhancement. The increased blood flow stimulates hair follicles, potentially encouraging more defined and resilient curls. Use fingertips to gently work in small circles around the scalp. Incorporate essential oils like peppermint or rosemary that may invigorate the scalp. Ensure massage duration is at least 5 minutes, several times a week. Employ a light pressure to avoid any follicle damage or unnecessary hair shedding. Perform massages on a clean scalp to prevent clogging of hair follicles. Such a technique promotes a supportive environment for curls to thrive by fortifying the roots and optimizing the hairs overall health. Effective scalp massages can also alleviate stress, which is known to have a tangential influence on hair texture and its ability to maintain curls. Incorporate a cold water finale into your rinse. Cold water finale into your rinse. Cold water rinsing is pivotal for maintaining curl integrity. In the context of curl acquisition, its an authoritative step that can augment the hairs natural propensity to curl. Moreover, cold water can reduce frizz, enhancing the smoothness and definition of each curl. Choose filter attachments for a cleaner rinse. Employ a diluted vinegar solution for a natural shine boost. Water quality and temperature are decisive factors in curl definition. Hard waterrich in minerals like calcium and magnesium can leave buildups that weigh down curls and inhibit their natural structure. Moreover, excessively hot water can strip hair of its natural oils. Therefore, incorporating a water-softening filter or opting for lukewarm temperatures can be effective in preserving the hairs natural oils and curl pattern. Develop a rinsing ritual that complements curly hair. The consistency and methodology of rinsing are fundamental to nurturing curls. A disciplined approach, including the implementation of a structured rinsing schedule using techniques that cater to curly hairs specific needs, is essential. As of the latest information available in early 2023, industry best practices suggest that incorporating acidity-balancing rinses, such as diluted apple cider vinegar solutions, can bolster curl formation and restoring the hair cuticles and restoring the scalps pH balance. Commitment to hydration cannot be understated in the realm of sustaining curls long-term. Continuous use of deep conditioning treatments, with an emphasis on those enriched with natural emollients and proteins, can replenish moisture and maintain the resilient structure of curls. Consisting of a regimented schedule, such treatments help combat the brittleness and dryness that can distort curly hairs natural form. Understanding the subtleties within the spectrum of curly hair types illuminates the necessity of personalized curl care regimens. Incorporating gentle, sulfate-free shampoos can prevent the undue stripping of natural oils, which are paramount for curl vitality. Furthermore, the regular application of leave-in conditioners and specialized curl-enhancing products can aid in sealing moisture, fortifying the hairs natural defense against environmental stressors, and ultimately nurturing the enduring beauty of natural curls. Regular trims are an essential strategy, ensuring the longevity and vitality of naturally curly hair. These scheduled cuts remove split ends and encourage healthier hair growth with less breakage. Precise timing for trims should adhere to a tailored scheduled cuts remove split ends and encourage healthier hair growth rate and curl pattern. Routinely trimming curly hair can prevent the exacerbation of split ends traveling up the hair shaft, compromising the integrity of the curls over time. Moreover, a consistent trim schedule contributes to the uniformity of curl patterns. By systematically eliminating split ends and damaged strands, the hair can retain balanced moisture levels and sustain consistent curl definition. This keen attention to regularly scheduled trims is pivotal in ensuring curly hair not only looks its best but also possesses the robustness to withstand daily manipulation. In conclusion, establishing a diligent trim regimen is instrumental in achieving and preserving natural curls. It safeguards against the irreparable harm split ends and breakage may cause, providing a foundation for robust, resilient curls. This attentiveness to trimming plays a vital role in the long-term health of curly hair, mitigating the propensity for damage and preserving the inherent beauty and vivacity of the curls. Deep conditioning treatments are vital in reinforcing hair elasticity, vital to preserving a curls integrity. Employing regular hydration protocols, such as weekly sessions, creates a conducive environment for curls to thrive and optimally retain their shape. Effective hydration is not achieved by sporadic efforts. It requires a rhythma dedicated routine. Consider the texture and porosity of each clients hair when designing their conditioning cadence. Highly porous hair (often found in colored or chemically treated hair) absorbs and releases moisture rapidly, necessitating more frequent treatments. Whereas less porous hair might benefit from deep conditioning every other week, ensuring that products penetrate effectively without over-saturating the strands. For clients transitioning fortifies the hairs structure, aligning each strand with its innate curly disposition. Ultimately, its about syncing with the hairs unique needs. Regular conditioning treatments build resilience, allowing for natural curls to manifest with minimized frizz and maximized definition. In conclusion, achieving curly hair naturally and permanently requires a combination of proper hair care, styling techniques, and patience. By following the tips and methods outlined in this blog post, hair professionals and salon owners can help their clients embrace their natural curls and enhance their overall hair health. Remember to educate your clients about the importance of using the right products, adopting a consistent hair care routine, and embracing their unique hair texture. With dedication and expertise, you can empower your clients to confidently rock their curly hair every day.
